Robertson Dental Lab welcomes your iTero® connection!

So, you've made the leap to **iTero®** digital impression scanner and now your looking for a lab who is proficient in understanding this technology and its work flows. You have come to the right place! Robertson Dental Lab accepts iTero digital impressions for both all-porcelain and PFM restorations. Using our in house scanner technologies allow us to receive you files and design & mill your crowns.

- Call iTero tech support at 800-577-8767

- Direct tech support to add Robertson Dental Lab

- From list, choose Robertson Dental Lab as your lab partner and submit your digital file.

- Select _My Account_ — and then go to _My favorite laboratories_.

- Select Robertson Dental Lab. Select _Add_ near bottom of screen.

It's our job to make your job as easy as possible!
